NOTE FOR: All NIOs

SUBJECT: Admiral Turner's Cabinet Briefing

1. Admiral Turner is scheduled to brief the Cabinet sometime in the next two or three weeks. He is planning a 45-minute presentation followed by a question and answer session.

25X1 2. [] of the IC Staff is preparing the text of Admiral Turner's briefing. He intends to focus on three principal topics:

- A. The impact of the recently concluded investigations.
- B. A look at where do we go from here in view of constraints on manpower and resources.
- C. A quick survey of what we are doing and can do for each Cabinet department in the furtherance of their responsibilities.

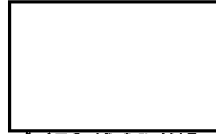

3. I would welcome your comments on [] proposed outline and particularly need information related to:

25X1

- A. What kind of support are we providing at the present time to each Cabinet department and through what channel? (The departments that need to be addressed are: Agriculture; Commerce; Defense; Health, Education and Welfare; Housing and Urban Development; Interior; Justice; Labor; State; Transportation; Treasury; and Energy.)
- B. What could we do if we had a better understanding of the particular needs of each department?
- C. What services are these departments providing us?
